

## Construction News | Fern Street Sidewalk Project

January 2019

### What's Happening

Good News! Fern Street Sidewalk will be constructed this spring!

This segment of sidewalk is the last link in completing a continuous sidewalk the entire length of Fern Street.

The City will construct:

- A sidewalk on the west side of Fern Street between 9<sup>th</sup> Avenue and the south entrance to Cambridge Court Apartments.
- A midblock crosswalk to align with the pathway leading to Decatur Woods Park.
- Access ramps at the intersection of 9<sup>th</sup> Avenue and Fern Street.

Prior to the sidewalk work, PSE will move power poles near Fern Crest Apartments.

## Fern Street Sidewalk

### Schedule & Potential Impacts

The relocation of the power poles is expected to begin in mid January, 2019 and last approximately 3 days. Any potential electrical interruptions will be coordinated by PSE.

Sidewalk construction will start in early spring of 2019.

Expect lane restrictions and minor traffic delays, flaggers will be in place to direct people walking, driving and biking.
